CHAIRMAN'S MESSAGE

Hello to the Catonsville Community and all our friends,

It is important to note the word "community." How fortunate are we who live here that we can hold such a wonderful trait. Not everyone lives in an area where this is such a valued concept, so I hope you never take it for granted. We may not be able to solve the huge problems of the world, but we can make a significant impact in our own neighborhood-with our families, friends, and neighbors. This is where it counts the most. I have witnessed first hand the way Catonsville rallies around its members. When a business needs support, we are there. When a person needs support, we are there. From the simplest issues to catastrophic incidents, we are there. I have seen over and over again how our residents step up to help when called. I also have seen the times Catonsville shows up to celebrate and have fun and this is also incredibly important. We laugh and we cry together. I truly hope you enjoy the spectacular event the Catonsville 4th of July Committee is providing for you. The volunteers work hard all year and are absolutely thrilled to see the joy on everyone's faces. That is what makes the hard work worth it. Happy 4th of July to all of you and Happy 250th Anniversary to our country. And always remember - Be Kind. - Anita Benedictis

The committee would like to thank Betty Walke for her beautiful original design that is displayed on the cover of this program and also on the 2026 Catonsville July 4 t-shirts.

Catonsville resident and artist Betty

Walke brings a strong foundation in art and design to her career as a creative director in advertising and communications.

In addition to her work in marketing, Betty is a passionate educator. She has served as a PK-8 art teacher and adjunct college instructor, with a focus on inspiring creative confidence in her students. She encourages learners of all ages to express themselves through a variety of artistic mediums. She is currently on staff at Staub Art Studio, where she teaches a weekly adult class and leads a range of specialty workshops.

Grand Marshal - Matt Chesney, Fire Specialist

We are proud to recognize Matt Chesney, Fire Specialist, as this year's Grand Marshal for our Independence Day parade.

Matt has dedicated the past 12 years to serving with the Baltimore County Fire Department, including the last 8 years at Station 4 in Catonsville – a community he has grown to deeply love and is proud to serve. Over the years, he has worked at multiple stations throughout the county, but found his place in Catonsville, where he continues to serve with commitment and pride.

Before serving his community, Matt served his country in the United States Navy as a Hospital Corpsman, HM2 (FMF), for 7 years. During his time in the Navy, he deployed overseas twice in support of Operation Iraqi Freedom and Operation Enduring Freedom, providing care and support to those in need under some of the most challenging conditions.

Matt's dedication to service extends beyond his profession. He volunteers his time supporting fellow veterans through the Warrior Brotherhood Motorcycle Club, continuing to give back to those who have served alongside him.

Recently, Matt demonstrated extraordinary courage and resilience after being seriously injured in the line of duty. His strength throughout recovery has been an inspiration to his family, his fellow firefighters, and his community – serving as a powerful reminder of the sacrifices made by first responders every day.

While his service and bravery are remarkable, those closest to Matt know that his greatest pride is his family. He is a devoted husband and a loving father, and without question, the best dad and husband in the universe.

Today, we are honored to celebrate Matt Chesney – not only for his service to his country and community, but for the character, strength, and heart he brings to everything he does.
